

Kairos Retreats 2019

November 2019

Dear Potential Kairos Participant,

This is an invitation to attend one of the Kairos Retreats for 2019.

The dates and recommendations regarding attendance are provided on the sheet. Your task is to sign up **and return this form as soon as possible to Mr Zammit** to Campus Ministry next to the chapel (**first preference = first returned to my office**).

Kairos Retreats at Terrace have an air of the “unknown” about them. From experience they are exciting, rewarding and a once in a life-time chance to take time out with your peers and look back at what has been, and forward to what is to come.

Places at these retreats are strongly sought so returning your form early will assist with the confirmation of your place.

Simply place the number “1” in the box for your first preference and then a “2” and so on. **If you definitely cannot attend a particular retreat then leave that box clear.** We will try and place you in your first preference. We will send you a letter confirming the Retreat we have booked for you.

Looking forward to next year

Chris Zammit
Assistant Dean of Identity
